1. I love you. Love you. I'm doing a new thing, and I am doing it through the surrendered. Have I made my point *well*, that I am doing a new thing? In the surrendered, I'm doing a new thing? Yes, I am doing a new thing -- with ALL who will let me -- BE ME! All who will let me be me unrestrictedly, unrestrictively, and without RESTRICTING me, to be under them. See what I have said.
2. This is Theodore Cottingham at 2:58 AM November 6, 2008. Forward freely.
3. I love you all. I am surrendered to you, for you have.
4. Thou hast made me, in your image, out to be a man, not; or have you, fashioned thusly, a "TRINITY" of my heart? Or that which you are I am, not knowing about a Trinity at all as you "define him", it. The messengers of Satan, not; or is it, are they? Are THE DEFINITIONS of Satan created in you, within you, that you created, that you create, that "Satan-ize" you into being that, it, that which "Satan" is? And IS they are ANY OTHER?, other than YOU, that think they are not-me? Is that Satan? Isn't that what Satan is?, *connections* to that which is thinking not-me thoughts and defining things, objects, formatting questions and answers, not to my specifications, but to others far and away and here who all connected are?
5. I have said a lot; in a few words, I always do. And many words beget me, not; but I beget many words -- that have given you truth, and I beget them in truth, for I begotten am, of the son of righteousness, that father is, with healing "in his wings" that know "no other thought" BEFORE ME.
6. Was. Before me nothing was. Nothing be again before me, now. Before I was I am - you were also; and now you know you are not "alone". Are you? No, you are not. Either "WAY", the way is made clear for you to understand, for your understanding to come into me and have mine, to BE MINE; and mine me with yours, not; but mind yours with mine that has one connection only, or what? Thousands millions of *neural connections*? With who? How, and why? And "how do all these things work?", you ask - and I answer; I answered have in these words *MULTIPLE* times *MULTIPLE TIMES* I have answered these "things" in these words, your words, if you'll be them. Will you be your words these words that one's words are? Again?

7. I AM HOLY, and I holy-ize "America", not; I let "her" fall to the ground. Will she succeed? Will she secede from me? Not "from" the nation of Israel, but being it; will she now come into the real that real is and become becoming it, and fashion me not a man thus of TRINITY eyes again? That is the question of the day isn't it?

8. I TRINITY-IZE no one. I am the "master" of the day, am I not? Or am I not a "master" of anything? -- except I have become a disciple, a MASTER disciple that has EQUALED his master, its master, my master; his "equalization theories", not; but **"equalization standards" a'notme-of ends now**, and I EQUATE REAL THINGS with the REAL I AM, THAT I AM.

9. School and more -- that life that comes unto me and surrenders to BE at the NEW THING I AM DOING in the earth, in the earths, in the "earths" in your head, to [be my head](#) and one -- [vocabulary one](#), comes INTO ME, to CAPITALIZE me not always, but am I capitalized ever again? On? By you. Who are surrendered.

10. Who are the surrendered?, who are the question makers?, and who are the answerers? And where do the answers, come from? And where, why, have they ARRIVED HERE, right now? Who arise where now? Have I not foretold thee?, or told thee all things that are happening now? Have you not been in Israel?, *TO HEAR THESE THINGS?*

11. I love you all. [Be not ignorant](#). Be not apathy, apathetic, or antithetical to what I am doing now through you or the surrendered; or will you *be* the surrendered, or will you stand on sidelines foreign and "wish me well" as I "take the sea ship", not; or DO I?, leave now? Leaving for where? The mark, not; or am I? Am I from Israel going -- *there?* Again?, where I came from -- *originally?* I came from Israel, and I go there now, *The Real One*. And I go to other lands soon also, regardless. I am a sooner 's Israel -- ite and I "follow" Israelites. I am one, a leader of all, into all, that leads all to be leaders -- and no one inferior or superior, for all are "equalized" not, but all are EQUAL, IN ME - and ARE ME in made most high, in the most high; -isms school of divide, not; but School of Divide-isms now *close* their doors on notme-isms. Classes change. "Schedules" change. I change my "locations" now "suddenly" and I change many things MACRO style.

12. Me -- I am me again! In the earth and farther, I reign, go to now my reign -- here I am folks, for I reign "here". How can I "reign" here and there, and not be "the same", as I am, all things everywhere, or am I nowhere to be found? Who is "looking" for me? I AM -- the look'er and the look'ee; and I see all things, miraculously - coming into play now - **the Key is given**, and "David" knows his name, and I arise "Joseph", the peacemaker; Peacemaker from Israel, Israel making, peacemaking Israel, not piece meal

at all ever again. But "piecing together the pieces", now shall we be the one I am we truly are -- at in Israel, at table, and being Melchizedek again in the earth eradicating all evil from being here, to be heaven on earth, my will being done again as it is in "heaven" *HERE!*

13. My kingdom has come into fruition, and "fruit loops" won't "serve me", but looking up fruit loops and finding what now? Fruity things, not; but I eat much FRUIT, and *vegetables* of other nations now. And curry red powder, me to death, not; but enjoy it -- where I CAME from, now going to often, and I ORIGINATE many things now, new dishes -- cuisine of one -- most high serving many things, new peoples, many things in surrender, for I surrender have become surrender, and you surrender to see these things - being them. In the earths and not limited to them.

14. But reigning Queen of horrors, not; but reigning King, mercifulness and honor I have given you allship of King one -- David your name forever -- one, in the earth, in the earths and farther, all knowing, all being -- now one all in all is now -- **Be One School.**

15. **Are we All Be One (1) school course in now?** Ends not, but began 's when? I began -- and now I END all that notme started, in the path of one so holy, who was "derailed" a notme of. I change everything in him hers "package" now!

16. I change everything! Into me-ism's school, not; but euphemisms, not; but metaphor-ism's school, not; but "metaphors" I end, and *THE REAL* emerges now. Emergent me emerges and arises arisers now who Royalize others to be the Royal one I am.

17. I have said, told you many things. And I love you more and more. Be my ones who love ME more and more, for ME all around you arise now. And I am only one, and I reign love supreme, my name forevermore -- one IN love WITH love, being it. Amen.

18. I go -- to new places now, instantaneously; and commensurately not with manhood not; or do I blast all those barriers out of existence? And what shall be "here" then? Anything? Only Israel will remain in Israel, establishing it, establishing Israel here - - I do this now -- MY name is one, holy. Is yours Melchizedek also?

19. **I AM - school - opens** - unexpectedly not; my semicolons never needed again, not; but I go issue yield new things to surrendered ones, who lovers are. I vineyard fields of one. Grace and glory close their doors, not; but open wide their mouths for new things for I do new things in them all, in the all who love me THIS MUCH to resource my all, with "other" not again, but coming OUT of all "past" again, coming into now, the now that now is redeemed, and **I REDEEMERSHIP REDEEM.**

20. Stand now I do the redeemers, and I do *THIS* in surrenderers at **Surrender School in Surrender School being the surrenderers who equal are, that master disciple me in them, to become my master disciples, Master Discipler School being.**

21. Reigned in; not by notme's, ever again will "be there" IN my school of sorrow, for I won't have one again, I never did. I only had Joy School and Joy School emerges Me School and Surrender School is me joy having mercy grace honor applied to my "eyes" and my "eyes are opened" now to see what I had, where I have, what I had, and where what I have now, I have again in Israel -- being it, if I where no longer with other "pew-ship" of man's "pew-ing me" to be under them. For **all MASTER DISCIPLES raise ALL, to be "above them", not; but all equal, are equal, the great master of love that loves all to be master disciples, master disciplers all who make all equal master Kings, that King all to be The King who all in one are, that one is, and no other shall exist anymore ever again, anywhere.**

22. I go to "New School! The New One is Me! And I newly made! Newly minted, not; but looking up minted, allowed and allowable, and who shall "allow me" these great things? ALL SHALL -- for all shall be me -- master discipler discipling all who will, want to be, the surrendered, coming into Surrender School to be **THE MASTER DISCIPLING SCHOOL THAT MAKES ALL KING in the KINGSHIP OF I AM. SCHOOL** never ends, or closes its doors on ME again. I love you.

23. The DOUBLE DOORS are open now and looking them up where? When? A me opens me in Israel to be Israel to lead Israel all into Israel and establish IT here I am. **I speak these words -- I do them now -- before you all.** Made whole all will be who lead me into rottenness no more of bone marrow a man of; with "crap" in "his nostrils" that notme made; that as it was, no more shall be! All that changes. All of that changes -- and I change it.

24. School of sorrow, not; but **school of joy arises master disciples who equal are, in each other, with each other, with me, in me, being me, me being me released;** and earth not knowing her name, no more shall be -- for I shall be -- one in the earth and farther.

25. Thank you maam, thank you sir. I bow before you all -- to be one -- in me, forever one. More and more in my School now who come, belatedly, not; or **are MANY late?** Fee'd not, but yielding my all, I MASTER DISCIPLE them all to be equal with the master, the great one, PATTERN ONE that became PATTERN TWO that became yield Database One to Two and all never ending. **My Databasers rise now The Central** centrality of me, forever and being one I am, School knows all about this, and MASTERS all concepts; to be conceptually me, not; but theoretically me does to be so, not; but you are all chosen,

real and proper, Israel being -- if you'll be so now; sewed not into man's theory'ing schools again, but **those schools which I am now rise out of I am, The School Of One, one being, making many who equal are with me, in me, and all being one throughout the nations all.**

26. Coastlands going far now, shall we? Unafraidly unafraidly; yes and amen. I make new friends there, I make many things new there, and I make many new things there, and I bring back many pictures often and show you real things, real places, that you never knew, without an image, not; for **you only imaged me until you became me** - but I set free all that, and I Israel am maker of School One that one makes all schools to know me who beget me who are me my begetters now, the begotten are, one son, many-membered, begotten of I am, I am the begotten and I beget many, for my name is father. Hood I have again (2), attached to my collar, graduating as it were, into Israel-hood-ship making all equal with me, who equalers are, become it become me and one are in Israel establishing holy'hood here again. Far and wide I do this. I surrender.

27. I surrendered, to yield, to become. I became and now I stand. Equal. Equaled. The equaler stands. The equalers stand and understand. Now all will.

28. **Be me. Unafraid. All loving all now as never imagined and all "looking after";** the "afterwards" not; but **the New Beginnings School emerges and all know me, what I mean now, and all these words** -- be not afraid of them but love them, become me, them, and coming into ME SCHOOL let my words flow that you are -- through you, to become me, me-ers again throughout EVERYWHERE.

29. **School, "other" ends - and I OPEN MINE** as never before imagined. I give you, I have given you all things in these words and more come now to complete be, complete me; my rigmarole, not; but the greatest of these is LOVE; "program" number one, not; but the greatest of these is love made manifest in the equalization; programs not, the disciplinary school disciplined, not -- but the yielding yieldedship **Surrender School Of One makes all MASTER DISCIPLES OF ONE MOST HIGH to enter and be -- redeeming it and REDEEMERS BEING -- the redeemed stand now and all are one.** I am Melchizedek and my name is peace and I rest now. Amen.

30. Go with me? Be me. Thank you. Again. This is Theodore Cottingham at 3:46 AM loving you all to love these words, to come into them, to be them and let them be through you to be you who I am we are one again and knowing all things being the equalers equal and all are one with the great I am again, but **only the surrendered shall see me, in them**, for you are them or us, or are we all the same? One. And Christ our name, for we surrendered to be so, and stand now we do in **School Number One, changing all others.** And else will be never the same again. Amen.

Footnotes:

1. "ALL BE ONE" is the name of the third course in Meonics in the University of The New Covenant. All these course names, and the contents of the courses, have come through these words, and continue to do so. The courses are in the words, and the words are the courses. See the University of The New Covenant website for more understanding of these things. Thank you.
2. "Hood I have again, attached to my collar, graduating..." The last time I had a hood attached to my collar was when I graduated from Regent University in Virginia Beach, Virginia with my Doctorate Degree in Strategic Leadership.
